My_Portfolio

CAREER OBJECTIVE

To Utilize my skills in Computer science, problem-solving, and a teamwork to contribute to innovative projects and continuous learning in a dynamic environment.

EDUCATION

- ❖ Computer Science and Engineering | G. Pullaiah College of Engineering and Technology, Kurnool.
Current CGPA: 9.5 | 2021-2025
- ❖ XII (SSC) | Narayana JR College, Hyderabad
Percentage: 96.6% | 2019- 2021

TECHNICAL SKILLS

- **Programming Languages** : Java (Intermediate), C(Basic)
- **Frontend |Backend** : HTML, CSS, JavaScript | Node.js, Express.js
- **Databases** : SQL, MongoDB
- **Skilled in Data Structures and Algorithms.**

PROJECTS

WanderLust Website |

- Created a Website named **WanderLust** with signup and login authentication. This site displays listings, reviews and Locations.
- Using the **MVC Architecture** the project ensures modularity and efficient code structure, significantly contributing to my growth in web development.
- **Tech Stack:** CSS, JavaScript, Express, Node JS, MongoDB.

Simons Says Game |

- Developed a basic **Simon Says Game**, a memory game designed to enhance cognitive skills and improve memory power.
- Implemented game logic where players press any key to start, follow sequential commands, and track the highest score achieved until the server refreshes.
- Designed an interactive and visually appealing UI to enhance the gaming experience.
- **Tech Stack:** HTML, CSS, JavaScript.

Portfolio |

- Designed and developed a responsive **Portfolio Website** to showcase projects, skills and achievements, featuring a clean UI, smooth navigation and dedicated sections for skills, projects and contact.
- **Tech Stack:** HTML, CSS, JavaScript.

ACHEVIEMENTS AND CERTIFICATIONS

- Certified in **Programming in Java** and **Data Structures and Algorithms using Java** conducted by NPTEL.
- Completed Certification in **Microsoft Azure Fundamentals** (AZ 900).
- Certified **Web Full Stack Developer** Internship from AICTE.
- Completed Smart Interviews course based on Data Structures and Algorithms (Sep-Mar 2024).

POSITION OF RESPONSIBILITY

Organized an 3 day bootcamp in our college for 1st year students. Where we taught to the students on how to do coding in various platforms like Hackerrank, Codechef in C Language.

DECLARATION

I here by declare that the information submitted is true to the best of my knowledge.
